

Dunnage Racks

48" x 22" x 12" Dunnage Rack

Forté Dunnage Rack Family

***“A Dunnage Rack So Good Looking
It Doubles as a Sales-Impact Display!”***

The Forté **ADVANTAGE**

Rotationally molded

Durable, UV stabilized polyethylene plastic, will not chip or corrode

Versatility plus

Use in walk-in coolers, freezers and food preparation areas; also ideal for use outdoors

Artistic design

Use to build eye-catching displays; will not leave rust marks on store floor

SureStack™ Feature

Corner design keeps Racks in line during storage and transport

Low maintenance

Easily cleaned with power washers

Arched design feature

Superior strength and weight capabilities

Superior air flow system

Helps prevent condensation and bacteria build up

Smooth, radiused corners

Promotes employee safety; reduces potential bag puncture
